Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, and cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.

Exquisite Crepe de Chine Blouses at

\$3 and \$4

Handsome styles for Autumn in snowy white and the lovely pastel colorings of pale blue, flesh and maize.

Crepe de Chine Blouses are the aristocracy of blouse fashions. Styles in blouse originate as often as it rains, but Crepe de Chine always remains the most admired of all materials.

Crepe de Chine is finely, desirably so—it is finer than the finest silk, although Crepe de Chine is a silk itself; yet the texture is durable and will withstand many washings and ironings. And Crepe de Chine will hold its original color, be it the daintiest pink or the lightest blue.

Crepe de Chine Blouses are appropriate for street wear, ideally suited for traveling and vacation, dressy enough for tea parties, etc. In short, they are the aristocracy of blouse fashions.
